This book contains mind blowing sex scenes and a wonderful captivating ability. The author did a wonderful job in making the book and selecting the characters and scenes. I really enjoyed this book and I await more from the author.

It is a very hot story and I am very happy that I got this book. The flow of the story is very explicit and all characters are very engaging. I like the romance scenes for I feel the heat of the romance.

I am really not fond of Taboo erotica but I gave myself a shot on one as it was recommended by a good friend. And yes I never regret I got this book because it is really enticing that made me wanting more. It is really tempting and believe me I was tempted. There are scenes here that are still vivid in my mind. This book made me intrigued about the author Lucy Lixx, I found out that she has more
