Mind Change: The Overcomer's Handbook

Synopsis

Life is full of challenges. Pain, Illness, Persistent Sins, Misunderstanding, Insecurity, Disappointment, Abuse, Discouragement, Depression, Failure, Fear, Rejection, Opposition, Confusion, Death. None of these surprises God. He has a plan for us to overcome them all. This book is written to help you see (1) your challenges are not unusual and (2) God's plan for overcoming will work powerfully for you as well as for others. In addition to the usual obstacles, author Tom Jones lives daily with the challenge of multiple sclerosis. Mind Change grew out of his efforts to find God's power in his weakness and to discover the way to live a productive life of impact in spite of things that could hold him-- and all of us-- back.
