The Gun Digest Book Of Firearms Assembly/Disassembly Part V - Shotguns: Shotguns Pt.5 (Gun Digest Book Of Firearms Assembly/Disassembly: Part 5 Shotguns)

Synopsis

This new edition is revised and greatly expanded to include detailed information for the 59 most often disassembled shotgun designs (plus over 285 variations); clearly illustrated by some 1,600 photos - all in 592 pages. Shotgun disassembly/reassembly has never been easier! Clean and maintain your shotguns yourself. This book makes it simple, thanks to author Wood's expertise, step-by-step instruction and crisp photography. Detailed photos show field-stripping and detailed disassembly steps in proper order and clearly illustrate and parts involved and the (simple) tools used. Easy-to-understand text describing each step guides everyone - novice or expert - through the disassembly and reassembly of 59 different shotgun models - plus some 285 closely related models. No other book provides this kind of photo-illustrated information.
