# Wrestling With God And Men: Homosexuality In The Jewish Tradition

## Synopsis

Wrestling with God and Men is the product of Rabbi Steven Greenberg's ten-year struggle to reconcile his homosexuality with Orthodox Judaism. Employing traditional rabbinic resources, Greenberg presents readers with surprising biblical interpretations of the creation story, the love of David and Jonathan, the destruction of Sodom, and the condemning verses of Leviticus. But Greenberg goes beyond the question of whether homosexuality is biblically acceptable to ask how such relationships can be sacred. In so doing, he draws on a wide array of nonscriptural texts to introduce readers to occasions of same-sex love in Talmudic narratives, medieval Jewish poetry and prose, and traditional Jewish case law literature. Ultimately, Greenberg argues that Orthodox communities must open up debate, dialogue, and discussion—precisely the foundation upon which Jewish law rests—to truly deal with the issue of homosexual love. This book will appeal to all people of faith struggling to merge their belief in the scriptures with a desire to make their communities more open and accepting to gay and lesbian members.

## Customer Reviews

If you are a Christian, you may think that an Orthodox Jewish rabbi comes from such a different way of approaching our shared Scripture that little would result from a lot of effort. Think again! This remarkable book is captivating from beginning to end and filled with innumerable insights that grace virtually every page. Along the way, you may, as I discovered, come away with a whole new appreciation for Orthodox Judaism. It's one thing to find a helpful book. It's quite another to find one helpful and delightful to read. Here are a couple of sentences worth mulling over: "Gayness is no

more an automatic intentional rejection of procreation than is straightness a sworn promise of it." And, "Nature is a text that can say almost anything we want it to say while appearing to have said nothing but what is evident." Both of these statements are found on the same page. This man can turn a phrase. After quoting from a letter from a near-suicidal gay Orthodox Jew, (a feature familiar to many pastors and their gay parishioners) Rabbi Greenberg states his purpose for writing the book. "For the sake of this young man and many men and women very much like him, the first goal of this book is to demonstrate that, contrary to the assumptions of many liberal and traditional Jews, an argument can be made in defense of gay relationships from within the canon of traditional Jewish textual resources. What this man needs is not permission to have sex with men. That is hardly enough. What he needs is a way to envision a life of love, intimacy, and commitment with a man in the context of a religiously alive Orthodox community. The task of writing on this topic is to make a path that is responsible to these human realities and deeply commit to God and Torah.
