Clinical Handbook Of Couple Therapy, Fifth Edition

Synopsis

Regarded as the authoritative reference and text, this handbook presents the most effective, widely studied approaches to couple therapy. The distinguished coeditors bring together other leading experts, most of whom developed the approaches they describe. Adhering closely to a uniform structure to facilitate study and comparison, chapters cover the history, theoretical and empirical underpinnings, and techniques of each model. The volume also describes cutting-edge applications for particular relationship contexts (such as blended families, LGBT couples, and separated couples) and clinical problems (such as partner aggression, psychological disorders, and medical issues). New to This Edition *Chapters on interpersonal neurobiology and intercultural relationships. *Chapters on couple therapy for PTSD, functional analytic couple therapy, and the integrative problem-centered metaframeworks approach. *Many new authors. *Extensively revised with the latest theory and research. See also *Clinical Casebook of Couple Therapy*, edited by Alan S. Gurman, which presents in-depth illustrations of treatment.

Book Information

Hardcover: 729 pages

Publisher: The Guilford Press; 5 edition (May 28, 2015)

Language: English

ISBN-10: 1462513921

ISBN-13: 978-1462513925

Product Dimensions: 7 x 1.8 x 10 inches

Shipping Weight: 3.2 pounds (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars [See all reviews](#) (11 customer reviews)

Customer Reviews

Not a very good book. Author jumps all over the place and it does not seem like the author is up to date on politically correct terms and ideas.

Good book

Fast shipping! Great product!!! Good quality!

solid reference book. Well edited.

Excellent- just as described.

Good price to rent!!
