Synopsis

Conquering Lymphoma presents nearly 20 years of research from the legendary consultant and mentor, Chad Napier. This book contains Chad Napier's most popular approach to eliminating Lymphoma and any other Blood Cancer to its entirety. Napier first got interested in the disease as his dad struggled with Non-Hodgkin's Lymphoma for 16 years, being in-and-out of remission and having many reoccurrences of this disease. Napier's interest grew as the Lymphoma continued to dominate his father's life and he made it his vision to conquer this monster that destroys lives and families. With this book, readers will become a student of Napier's as he teaches and presents the essentials for dominating this disease. Readers will marvel at Napier's miraculous way of disseminating his decades of health wisdom into an easy to understand structure to eliminate the root cause of any Blood Cancer.
