Chelation Therapy: The Alternative To Angioplasty And Bypass Surgeries

Synopsis

Chelation Therapy is the alternative to invasive surgeries such as angioplasty and bypass. It has been shown to effectively clean out clogged arteries. Chelation therapy is not new; it has been used for over 13-years. Do you suffer for the following symptoms: Night Cramp in hands or feet, Fingers or toes that often feel cold, Your arms or legs often "go to sleep", Is there a diagonal crease in your earlobe?, Do you experience numbness in the arms or legs?, A whitish ring under the outer cornea in your eye?, Do your lips or fingers often have a tingling sensation?, Breathless with slight exertion or when lying down?, On short walks, do your legs get aches or pains?, Is your memory worse than it used to be?, Ankles that swell late in the day?, Has your blood pressure increased lately? If you do then you need to read this book!!! Chelation Therapy utilizes oral chelation supplements, and oral chelation products. It is an alternative medicine treatment protocol offering the best oral chelation product and the best oral chelation therapy. Chelation Therapy is a book the bypass surgeons DO NOT want you to read.

ISBN-13: 978-1495349669

Product Dimensions: 6 x 0.2 x 9 inches

Shipping Weight: 5.4 ounces (View shipping rates and policies)

Average Customer Review: 2.7 out of 5 stars [See all reviews](#) (6 customer reviews)

Best Sellers Rank: #1,151,605 in Books (See Top 100 in Books) #19 in [Books > Health, Fitness & Dieting > Alternative Medicine > Chelation](#)

Customer Reviews

This is a poorly written 70 page piece of tripe which is full of misinformation and downright lies. I worked for 30 minutes on the internet to find out who the illustrious Dr Jay was - to no avail. There is no mention of any school that he attended or any degree. He has multiple books and web sites. The websites are all clones of one another, each one slightly customized. Dr Jay's position is that chelation therapy does not work! While the cover would lead one to believe he was a proponent of the therapy. Dr Jay has almost 80 books listed on [Amazon](#) covering a wide variety of subjects. Some of them have only three to five reviews, most have none, leading me to believe they have all been

written recently.

This "book" consists of 13 pages of anecdotes, vague references to chelation compounds, and links to the author's other "books". Wikipedia has far more information on chelation therapy for free. The sole 5 star review was written by the author. A quick search of the Internet turned up a blog describing an ex-con named Harry Jay Sherbondy whose past activities bear a striking resemblance to "Dr. Harry Jay".[...]Coincidence? Maybe, but decide for yourself before buying.

I have had Chelation therapy and would never recommend it to anyone, it's dangerous. It stripped the iron out of my body, and I needed to have a blood transfusion as it made me dangerously anemic.
