Customer Reviews

I WAS EXTREMELY DISAPPOINTED IN THIS BOOK. THE GAME SUGESTIONS WERE TIRED AND ONE DOESN'T NEED SEVERAL COPIES OF GAME FORMS TO WASTE PAGES. MENUS WERE NOT INNOVATIVE,IN FACT,NOTHING WAS.

When my sister announced that she's getting married, I announced that I'd love to throw her a shower. I'd never thrown a wedding shower before, and I needed to find something to help me plan one--fast! I was pleased with Ms. Cooke's "Best Baby Shower Book" that I'd bought to plan my friend's baby shower a couple of months before, so I thought I'd try her again. I wasn't disappointed. This book offers instructions and tips for throwing fun parties in a straight-forward way, and none of the parties seemed overwhelming to plan or impossible to pull off. The theme I chose was fun to plan, and the party was a blast. This book is a new edition, and it seems as if the problems with the

previous edition mentioned in the previous review were addressed.

This book was a nice addition to other books that I purchased on planning a wedding shower.
