# Human Sexuality Today (8th Edition)

## Synopsis

Examines how human sexuality impacts students' lives today. **Human Sexuality Today Plus NEW MyPsychLab with eText - Access Card Package, 8/e** is an appealing, readable, and humanistic guide to human sexuality, with a sound balance between facts and understanding. Through the authors' conversational writing style, readers will gain insight into human sexuality, helping them feel comfortable about themselves and their own sexuality. **MyDevelopmentLab** is an integral part of the King program. Engaging activities and assessments provide a teaching and learning system that helps measure students' success. With **MyDevelopmentLab**, students can watch videos on human sexuality, study key terms and concepts with flashcards, and develop critical thinking skills through writing.

## Customer Reviews

I ordered this text book for my human sexuality psychology course, but it reminded me of an A&P and biology text book. However, with the right professor and syllable it could be very informative and eye opening.

I rented this for a college class. If you have never taken a human sexuality class, I would recommend taking one. This book is full of information that helped me understand myself on a whole new level. The words inside flowed good and was easy to understand. I took a lot away from my class because of this book.

Came in almost perfect and pristine condition. the upper right hand corner of the cover was a bit bent but all in all it came in wonderful condition for my class! I wish it came in hardcover though.

says it comes with an access code for myPsychLab but DOES NOT. I received a paperback copy with no access code.

This is an informative book and easy to understand

Great service and it came how it was described!!
