# Social Studies In Elementary Education (14th Edition)

## Synopsis

The author wrote this new edition of the most popular elementary social studies methods text on the market with the following three goals in mind:Â to present the most powerful social studies content and pedagogy for children in elementary school, to offer the material in simple and accessible ways, and to write in a first person active voice. The purpose of this book is to introduce new teachers to the world of social studies teaching and learning in elementary and middle schools.Â Geography, history, government and the other social sciences are delivered into the palm of the new teacherâ™s hand along with a suite of tools for bringing social studies to life in the classroom. Â The book is organized into three sectionsâ “the first orients the reader to the mission of social studies education to the increasingly diverse children we teach, the second concentrates on the curriculum, and the third deals with instruction, how we plan and teach this curriculum.Â Three central themes continue to pervade the bookâ “democratic citizenship, diversity, and the social sciencesâ “to ultimately encourage teachers to excite their students about closing the gap between social realities and democratic ideals.Â An exceptionally strong chapter on multicultural issues (Chapter 2) helps future teachers truly understand the changing demographics of the American classroom. Â Â

## Book Information

## Customer Reviews

This textbook was a little more cumbersome to read however it does drive home the need to teach social studies and teach it well. The author is really passionate about the subject and the

information is very appropriate and on point with regard to today's social studies needs.

This is a great book! It's full of wonderful ideas, teaching strategies, and lots of lesson plans. The book is broken down nicely into logical chapters and the reading isn't hard to understand. I definitely recommend having this book!

This is an excellent book. It offers a lot of information about the different ways to teach social studies and it shares many different lesson plans.

I PURCHASED THIS BOOK FIRST FROM MY UNIVERSITY BOOKSTORE FOR \$132 PLUS. AFTER LOOKING AT IT ON .COM, I RETURNED IT BACK TO THE UNIVERSITY BOOK STORE AND PURCHASED IT AT .COM FOR \$3.95 PLUS SHIPPING. THE TOTAL COST WAS LESS THAN \$10.00. THE BOOK WAS IN EXCELLANT CONDITION, IT LOOKED BRAND NEW. AND THE SHIPPING SERVICE WAS ALSO SUPERB. THANKS .P.S. I WILL PURCHASE MORE BOOKS

This book was the first book i ever purchased online and to say it was for cents and also a used book, the quality is unbelievable. All the pages are in and it litearally looks brand new. I really needed it for a social studies course i was taking and i'm glad that it didn't cost alot to get myself a copy.

I ordered this book brand new on Prime and it arrived within the expected two days. It was in perfect condition, however, pages 77 - 100 are printed upside down and half of the print is missing.

it came with the extra mini book that was required for my class which was awesome. and it came much earlier than promised. very happy with them

I normally don't like to buy Textbooks, but this one I wanted to. It is written in plain english so it is really easy to understand. The ideas in the book can easily be used in a classroom!
